By the late action of the State auhewers of wood and drawers of thorities, ten million of dollars have water I for the people north of us, who, been disowned in Georgia, for which the burlet and energy, make everything State bonds are outstanding. Whatever c ant and every end meet for profit.
The views of our correspondent are Vork Tribine, it is improbable that mansented tersely, and fully fortified kind will call this act by more than one by figures, will arrest attention. They point the way we ought to go. The States which will not say, "Repudiate" d vidends of banks and insurance com-punies are at the best but doubtful cri-Alabama, Kentucky, Missouri and Texterions of growth. When we remember that the profits of both these sort of institutions are made from the necessities of the mercantile and trading classic products of private or party preindice.

Alabama, Kentneky, Missouri and Texas, although in the latter State the public contracts with railway guarantees have been broken in some instances, on grounds of private or party preindice. grounds of private or party prejudice, es, and are not the results of direct labor.

During the canvass which preceded the late general election our honored Govbeing doubtful cause of congratulation ernor reiterated the intention of Tenwill be apparent. The same may be nessee to stand true to the pledges of said in degree of all purely mercantile effort. A commercial community will grow, and sometimes with extraordinary vigor, but it is not a healthy growth. Look at Cincinnati and Chicago. The former is a city of manufacture of them. The latter is nearly all commerce, dependent upon the manufactures of little places contiguous, every one of them flourishing in solid wealth. three of little places contiguous, every one of them flourishing in solid wealth. This is so well understood in the Lake City that every inducement is, held out to manufacturers to settle, and every facility is offered by railroads in the cheap transportation of coal, iron, tim-lier and other raw material. Fires, like that at Cheago and Roston, wipe out insurance companies, and may even cripple banks, but, wille they interfere for a time with manufacturers, they only simulate those engaged in them to renewed exertions and a larger measure of profitable work. We want manufactures, they only simulate those engaged in them to renewed exertions and a larger measure of profitable work. We want manufactures, they only simulate those engaged in them to renewed exertions and a larger measure of profitable work. We want manufactures, they only simulate those engaged in them to renewed exertions and a larger measure of profitable work. We want manufactures, they only a consider the Arkansas Central narrow-gauge a success for worldly estate thus earned, must not be determining the questions of what the difference of real and general prosperity, nor as a guide in determining the questions of what the disternment in part of the Calcago Tribime, that 'no credit' is a confession is weakness. Tennessee wants be credit restored, and therefore of genulnes and wholesome the builting influences of the target of the continually raised in the contract of genulnes and wholesome the reasons: The rails weigh only and what the reasons: The rails weigh only and that it considers the Arkansas Central narrow-gauge as uccess for worldly estate thus earned, must not be taken as a revience of real and general prosperity, nor as a guide in determining the questions of what the difference of genulne and wholesoments are revery much lighter; the engines are much lighter; the engines are freaken as every much lighter, the continuary. The assertion and the continuary and the builting influences of the continuary and the builting influences of the profitable work. We want manufactures and mechanical enterprises. We do not want them on any very extensive scale. Such would not pay at first, but might possibly prove follows. Let us have them with tensions follows. Let us have them with tensions of the first of failures. Let us have them with ten Nashville. No repudiation for Tennes-
